Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

August 25, 2003

Sir:

In response to the Office Action dated April 23, 2003, the period of response for which extension is requested by the attached Petition for Extension of Time, please amend the above-identified application as listed below and as set forth on the following pages:

Amendments to the Specification;

Amendments to the Claims;

Amendments to the Drawings describing changes to drawings shown in

Appendix B;

Remarks are included following the amendments;

APPENDIX A providing an explanatory sketch is attached following the remarks; and

APPENDIX B including amended drawing figures is attached following Appendix A.
